

So?

BRIGGS

And you haven't been tried for this crime yet. So if you ever want to walk the streets again, you had better find somebody to take the weight. Isn't that correct?

BOBO

What you saying? Am I trying to cop a plea? I just told you I was trying to cop.

BRIGGS

And we know who you are, don't we? You're the dope dealer and the thief who could see a man killed and then go over to a fast-food place and have a nice meal. That's who you are, right?

BOBO

I didn't have nothing to eat all day.

BRIGGS

So after you killed Mr. Nesbitt—

BOBO

I didn't kill him.

BRIGGS

As far as this jury knows, you are the only man who admits being in the drugstore when Mr. Nesbitt was killed. You admitted to planning the robbery. You also admitted to taking the cigarettes, and you admitted to being there when Mr. Nesbitt was lying on the floor of the store he had worked so hard for. But now you blame somebody else for the killing to get a break for yourself, isn't that right?

BOBO

I think King was high or he wouldn't have shot the dude. He didn't have to shoot him. He's the cause of me being in this mess.

BRIGGS

Not you? You didn't want to do the stickup?

BOBO

Man, later for you.

BRIGGS

Nothing further.
