

O'BRIEN

How did you know—how do you know now—that the gun that was used was not brought into the drugstore by whoever it was you were with?

BOBO

King said he didn't have no gun.

O'BRIEN

So you're relying pretty much on what you've been told about this robbery. Is that correct?

BOBO

'Cept what I seen.

O'BRIEN

And what you saw was when you were actually involved in the holdup?

BOBO

That's right.

O'BRIEN

Did you ever talk to Osvaldo?

BOBO

I said a few words to him.

O'BRIEN

You told him that he had better participate in the crime or you would hurt him?

BOBO

He wanted in.

O'BRIEN

But he testified that the only reason he was involved in this stickup was that he was afraid of you.

BOBO

I wouldn't bring anybody into a serious jam unless they wanted to be there. You can't rely on nobody that don't want to be there.

O'BRIEN

When you were in the drugstore—and you have admitted being there—did you see anyone else in the store?

BOBO
