

I heard him say that.

PETROCELLI

And according to you, Mr. Cruz was lying, too?

STEVE

No, somebody could have told him that, but I know I wasn't there.

PETROCELLI

Then he must have lied, is that right?

O'BRIEN

Objection. The prosecution is soliciting an argument.

PETROCELLI

Withdrawn. Mr. Harmon, you say you weren't at the drugstore anytime during the day of the robbery. Perhaps you would tell us where you were.

STEVE

I don't know exactly where I was when the robbery took place. Most of the day I was going around taking mental notes about places I wanted to film for a school film

project.

PETROCELLI

Well, if you don't know exactly where you were, can you tell me anyone who might know where you were?

STEVE

I don't even remember where I was. When the detectives asked me where I was, I couldn't even remember the day they were talking about. They didn't ask me about it until weeks later.

PETROCELLI

Then how do you remember—what did you say?—taking mental notes for a school film project?

STEVE

I know that because I was planning to do the film of my neighborhood over the holidays.

PETROCELLI

Getting back to Mr. King. Would you consider yourself a friend of his or an acquaintance?

STEVE
